Renu Malhi, MD, UND Center for Family Medicine, Minot, North Dakota

*Facilitator: Lisa Faust, MD*

### Upon completion of this program, the learner will be able to:

1. Describe the basics of UDT in SUD treatment.
2. Identify the ASAM Appropriate Use of Drug Testing in Clinical Addiction Medicine.
3. Work with Insurers to maintain suitable access to necessary clinical testing.

### Who should attend?

All members of the healthcare team to include, but not limited to: physicians, NPs, PAs, nurses, behavioral health providers, social workers, pharmacists, medication assisted treatment (MAT) prescribing providers, and prescribing providers interested in becoming MAT providers.

### Why attend? Because you will...

- Participate in case-based clinical discussions focused on the treatment of opioid use disorder.
- Gain up-to-date knowledge of opioid use disorder treatment through brief didactic presentations on topics of interest to learners.
- Improve your confidence in managing patients with opioid use disorder.
