

What Is Unite Us?

Unlocking the potential of every community.
Learn how we're better together at UniteUs.com.

We're here for you.

We built Unite Us to ensure you get the help you need when you need it—with dignity.

> What services are available through Unite Us?

We can connect you to over **1 million services** across **44 states**, from housing and food to transportation and employment—and more.

> How does Unite Us help connect me to services?

Unite Us provides the software to securely connect community-based organizations, healthcare providers, and even government agencies so that they can collaborate and get you to the local services and resources you need. To get started, connect with your provider or care manager.

> How does Unite Us protect my information?

Unite Us protects all information under the same strict protections required for healthcare information. Learn more at UniteUs.com/solutions/protect/.

“As a new mom, not having to make multiple phone calls is so helpful. Instead, agencies reach out to me.”
