## North Dakota Critical Access Hospitals

## History

Trinity Kenmare Community Hospital was established over 100 years ago and has been an integral part of the community providing a wide range of services and support to the rural community.

## Recreation

Kenmare is located in Ward County in northwest North Dakota. The community is known for its unique town square and boasts approximately sixty businesses. Recreational facilities include a swimming pool, tennis courts, softball field, and a golf course. Hunting, fishing and outdoor sports are readily available. A weekly newspaper services the community. School enrollment K-12 is 360.

This project is supported by the Medicare Rural Hospital Flexibility Grant Program at the Center for Rural Health, University of North Dakota School of Medicine & Health Sciences located in Grand Forks, North Dakota.
