Planning to attend UND in the fall? Interested in studying psychology? The Seven Generations Center of Excellence can help you make the transition to college with the Aazhogan summer program.

The Seven Generations Center of Excellence Aazhogan program can help you jump-start your college career.

Requirements:
- Native American (American Indian, Alaska Native, or Native Hawaiian ancestry)
- Recent graduate of tribal high school or tribal college
- Admitted to the University of North Dakota for fall 2017 semester
- An expressed interest in behavioral health

Program:
- University Life Course – an introductory overview of classes and campus life at UND
- Student Success Center - an introduction to the SCC, which focuses on advising, learning services, and programs to enhance student success
- Campus Life – learn about living on campus and what’s available at UND
- Community – become familiar with UND’s home, Grand Forks.

Deadline: April 15th, 2017 • Program is four weeks, Tuesday, June 4th – June 30th.
