Presents:

Webinar Wednesdays!

A Webinar Series designed to meet your needs whether you are a brain injury/stroke survivor, caregiver or provider.

The following Webinars will be available live and will also be archived for later viewing if you are unable to attend live. These Webinars will be presented using the platform, Zoom.

If you wish to log in via computer you can do so at the links below. If you would just like to call in and listen you may do that as well by following the instructions on the link for the Webinar you would like to view!

Series Schedule-Every Other Wednesdays from 1:30-3:00 pm

February 12; Stroke Survivors Story

Scott Hayden had a stroke in July 2018. Since his stroke, he is on a mission to increase stroke awareness, and to let people know recovery can happen. He grew up in Minnesota and Monday, graduated high school in Penang, Malaysia, and worked in New Zealand before returning to the Midwest. He enjoys nature in all seasons, especially winter!

Meeting ID: 307 664 953 • Phone number: 1- 669-900-6833

February 26; My Sister's Journey

Kim Spivack is a Grand Forks native and currently a STEMI Stroke Coordinator with Altru Health Systems in Grand Forks. Kim is also the little sister to a wonderful young woman, Kari, who has Down syndrome, is a stroke survivor and also had a scary hospitalization last winter. Log in and listen as Kim explains some of the barriers individuals with special needs face in the hospital setting and how they can best be supported by all professionals that these unique patients come in contact with.
