Thank you for attending the 2017 North Dakota Stroke & Cardiac Conference.

- The American Heart Association has applied for CEUs, CMEs, and education hours for physicians, 
  physician assistants, nurses, and EMS personnel.
- If you do not have an account with the Professional Education Center, one will be created for you. You 
  will receive an email from them with login information which you will need to use to claim your CEs 
  after the conference. If you don’t have your login information, you will need to contact the Professional 
  Education Center directly at 1.888.242.2453 or learn@heart.org.
- Please complete the conference evaluation found in your folder and return to the registration desk.

We welcome you to visit the vendors during breaks.
