

Bottineau, North Dakota

Economic Impact

A strong healthcare system helps attract and maintain local business and industrial growth. It also attracts and retains retirees. Saint Andrew's Health Center (SAHC) creates jobs and contributes to the economy throughout the area. Our employees support the area businesses, and our presence brings dollars into the local economy.

The SAHC is a 25-bed, Critical Access Hospital with a rural health clinic and 14 attached apartments. The hospital employs 99 people and the clinic employs 17 people. The hospital and clinic offer a wide variety of medical services to the residents of Bottineau County, North Dakota.

The SAHC hospital and clinic contributes to the health and wellness of local residents as well as the overall economic strength of Bottineau County. The hospital and clinic employs local residents who spend money in the Bottineau County area, which in turn generates a secondary economic impact. Increases or decreases in the size of the SAHC's hospital or clinic affects the medical health and economic health of the area. About every two jobs in the hospital and clinic creates another job with businesses in Bottineau County.
