

THE BEST HEALTHCARE CONTRACTOR BECAUSE...

3. WE ARE HEALTHCARE EXPERTS

40%

40% of our annual revenue comes from healthcare projects.

We have ASHE certified staff specifically trained to understand the complexities in healthcare construction.

We've worked with clients like: Sanford, LifeCare, Lake Region-Healthcare, and Marshall County-Healthcare, some exclusively.

2. WE MINIMIZE DISRUPTIONS

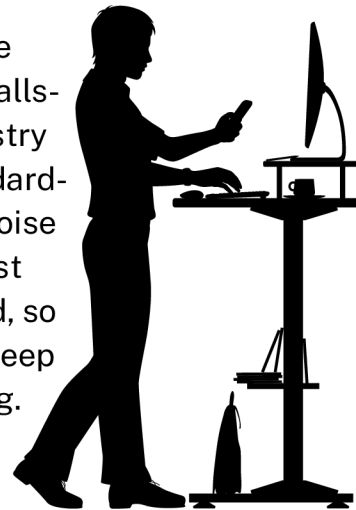

100%

Almost 100% of our projects are in occupied spaces.

Our crews have flexible schedules, working nights and weekends or seasonally to minimize disruptions.

We use STARC walls- the industry gold standard- to keep noise and dust contained, so you can keep working.

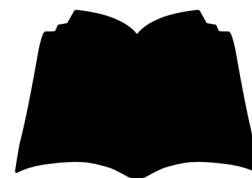

3. WE'RE TRANSPARENT

Collaborative pull-planning to meet project milestones.

Our pre-construction team helps you minimize risks, control costs, and optimize timelines.

We provide budget estimates each step of the design process.

Our open-book-policy allows you transparency to see all the project costs.
