

Viewing the Online Recordings (Enduring Materials)

You are required to sign in to the CME Attendee Portal in order to view the recorded teleECHO clinics so that we are able to track views, per grant requirements.

1. Go to <https://med.und.edu/continuing-medical-education/online-courses.cfm>, then scroll down to the recording that you want to view OR go directly to the CME Attendee Portal at <https://razor.med.und.edu/cme/selfserve/account/login>.
2. If you didn't go directly to the CME Attendee Portal, click on the program title of the session you want to view. This will take you to the CME Attendee Portal login page: <https://razor.med.und.edu/cme/selfserve/account/login>.
3. Login to the CME Attendee portal. If you don't already have an account, create one by clicking on "Register now"

4. Once you login, click on the Course tab and go to the course that you would like to view and click on "Start Course" in the upper right corner.

Internet Course - Project ECHO Management of Opioid Use Disorder

Screening, Brief Intervention, and Referral to Treatment

Wednesday, March 08, 2017 - Thursday, March 07, 2019

Project ECHO® Management of Opioid Use Disorder:

"Screening, Brief Intervention, and Referral to Treatment"

Upon Completion of this program, the learner will be able to:

1. Define SBIRT.
2. List key points when screening for drugs.
3. Identify components to include when creating treatment plans.

Presenter: Parag Patel, MD; Ben Bucher, FNP-BC, MBA

"The University of North Dakota School of Medicine and Health Sciences is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians."

"The University of North Dakota School of Medicine and Health Sciences designates this Enduring material for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim credit commensurate with the extent of their participation in the activity."

5. You must complete the pre-test – click “Launch”

The screenshot shows a vertical list of four course items. Each item has a circular icon on the left, a title, a brief description, and a 'Launch' button on the right. The 'Pre-Test' item is highlighted with a light gray background, and its 'Launch' button is circled in red. The 'Watch Video' item has a video camera icon, 'Evaluation' has a speech bubble icon, and 'Post-Test' has a document icon. The 'Launch' button for 'Post-Test' is disabled and grayed out.

Item	Description	Launch Button
Pre-Test	Please answer all questions. This test is not graded but is used to measure your level of knowledge prior to the course.	Active (Circled in Red)
Watch Video	Click on the link to view the course.	Active
Evaluation	Please answer all questions. A de-identified summary of the evaluations from all participants will be shared with the presenters.	Active
Post-Test	Please answer all questions. This test is graded and a score of 75% is required to receive credit for this program.	Disabled (Grayed Out)

6. You can then click on “Launch” by Watch Video to view the recording

This screenshot is identical to the one above, but the 'Launch' button for the 'Watch Video' item is circled in red, indicating the next step in the process.

Item	Description	Launch Button
Pre-Test	Please answer all questions. This test is not graded but is used to measure your level of knowledge prior to the course.	Active
Watch Video	Click on the link to view the course.	Active (Circled in Red)
Evaluation	Please answer all questions. A de-identified summary of the evaluations from all participants will be shared with the presenters.	Active
Post-Test	Please answer all questions. This test is graded and a score of 75% is required to receive credit for this program.	Disabled (Grayed Out)

7. Following the recording, please complete the Evaluation and the Post-Test. If you do not complete these documents you will not receive CME credit for viewing the video. Even if you do not want credit, we do ask that you complete these documents so that we have your feedback.
