

Provider Education Taskforce Meeting – August 1st 2017 – 2pm

Attendance: Cheryl Rising, Doris Vigen, Judy Beck, Lois Ustanko, Nancy Joyner, Sara Anderson, and Jessica Reier

Discussion made on selecting a Chair and Co-Chair for the committee. Decision was made that an email will be sent out with the description of each position and then we will be able to nominate individuals for those positions and/or nominate ourselves.

Sara Anderson will record the minutes for the meetings.

Next Steps:

- * Committee will make primary focuses on professional and academia levels. Another committee is working on community outreach.
- * Nancy will be attending ELNEC training the end of September. She is hoping to be able to bring information back to the committee on how we will be able to use the ELNEC resources to educate.
- * Discussed bringing palliative care education to the critical access hospitals-statewide meeting in April
- * Discussed being a part of the NDSU Gerontology conference (usually in April).
 - would we be able to be a part of next conference or help with planning
 - do we know someone on their board to help us with this process (Loretta ? or Karen Simmons)
- * 2 representatives from UND on committee now; would we be able to reach out to NDSU, U of Jamestown or U of Mary to have those schools on as well
 - easier to have someone from nurse educator group join committee; Nancy will contact the group and get their thoughts
- * Jessica will email out the group's contact information for everyone
- * Next meeting will be 1st or 2nd week of October; doodle poll will be sent out for that date and time
- * Meeting finished at 2:48pm.
