

The Seven Generations Center of Excellence

General Application

SgCoE supports Native Americans working toward becoming mental health professionals. We accomplish this through several programs that encourage, train, and retain future Native behavioral healthcare professionals in Indian Country.

Please check programs which indicate your interest below. A Program Assistant will reach out to you and assist you in discussing which program may best suit your needs:

- 
- Aazhogan (Bridge) Program**
- For tribal college or high school students - we'll help you transition to UND
 - Peer Mentoring**
-We'll pair you up with another student to help you out and be a friend
 - TURTLE** (Tribal Undergraduate Research Training and Learning Experiences)
-We'll help you learn how to conduct research that can impact your community
 - GRE Prep**
 - Native Health Research Team**
-Work with other Native students with similar research interests
 - Post-Baccalaureate Program**
-We'll help you prepare and apply for a psychology graduate program while working with the SgCoE research program
 - Clinical Placement Stipends**
-For Doctoral Students
 - Counseling Psychology Stipends**
-For Doctoral Students
 - Graduate Research Assistantships**
 - Internships**
-APA-Approved pre-doctoral psychology internships with the UND Counseling Center
 - Native Faculty Fellowship**

Many of our students participate in more than one of these programs throughout their time studying behavioral health at the University of North Dakota. We have supportive staff and students who are here to help you succeed.
