Grafton is located in northeastern North Dakota, the heart of the Red River Valley, which comprises some of the richest soil in the world. The city, an attractive residential community, is a major retail trade center, and a primary market and distribution center for agricultural commodities produced in the surrounding area. Grafton’s school system provides educational opportunities to students K-12. Grafton Parks and Recreation Department offers an extensive number of organized sports programs and activities for all ages. Facilities include a heated swimming pool, eight tennis courts, lighted football and track field, two supervised outdoor skating rinks and two parks. Other facilities include bowling, curling, baseball and softball, an armory gymnasium, winter sports arena, gun club and overnight camping.
